

Toddler Learning Pack

Colors, shapes & numbers 1-5 · ages 2-3 · 10 pages

How to use this pack

- Print the pages on cardstock if you can. Slide each page into a clear sheet protector (or laminate it) and use a dry-erase marker, so you can wipe and reuse it again and again.
- For the matching pages, cut out the pieces and stick a velcro dot on the page and on each piece. A grown-up attaches the dots and checks they stay stuck.
- Do one page at a time, for 5-10 minutes. Stop while it's still fun.
- Keep everything in a binder for car rides, waiting rooms and quiet afternoons.
